4. *Upload the assignment online;*
5. *All assignments will be presented during face-to-face sessions in class and marked out of 20 marks.*
6. *Deadline of submission: 15th December 2025 before 18:00.*

Topic per group:

1. Discuss the relationship between law and ethics
2. With examples, distinguish ethics from conduct
3. Discuss how students implement code of ethics in your respective schools?
4. How teaching staff at your respective schools implement and safeguard code of ethics?
5. Discuss how listening is key to making the transformation from you against me to us against the problem.
6. Analyse the importance of understanding and meeting needs at school.
7. With examples from your schools settings, explain how defending yourself makes things worse.
8. By applying ethical examples, discuss how you can explore the need behind the want.
9. Explain how everyone at school must be solution focused to ensure ethical and effective school management.
10. Explain how working on the relationship as well as the problem build for maximum win-win.
